Major Pointers:

- Installation of the tool on Firefox browser is mandatory. The Data extraction process completed using the tool is considered for the payment. Capturing of information offline and presenting the same as an attachment will not be considered.

- Amount earned is based on the number of hours spent online to extract the data. Once logged-in, the tool expires if no activity takes place after 5 minutes.

- The user is requested to save the extracted content on a regular basis to avoid the risk of data loss.

Will the Virtual Assistant be able to choose any company of their preference?

The Virtual Assistant should work only on the company that gets displayed when they login.

How should I communicate with you?

As the entire training process and work assignments are carried out through online, we would like to receive your queries/concerns through ewnet@bizacumen.com

Where will the training be held?

The entire training process and the regular task of assigning and receiving assignments are carried out online through our website.

Will I be provided feedback for the completed Assignments?

Feedback will be provided for initial few assignments. You are supposed to complete three Assignments (Companies) to our satisfaction, subsequent to which you will be part of our regular external employee network (eNet) wherein all required induction formalities and paperwork is initiated and completed.

How will I be paid for my completed Assignments?

Payment for the completed assignments would be done on a monthly basis through online credit directly into your bank account.

What if I am not selected after test Assignments?

If the assignments do not meet our quality standards for any reason, you will be compensated for the completed assignments. Payment is done by directly crediting your bank amount or through demand draft by post.

What are the basic requirements to be fulfilled once inducted as a regular eNet employee?

Selected Candidates would be transferred to the regular pool of eNet team upon the receipt of initiation documents such as Aadhar Card, PAN Card, etc.
